

# Stem Cell Culture Shock No More

Gain practical tips to achieve consistent stem cell cultures.

Join our **FREE webinar** to unlock secrets to optimizing cell growth, preventing contamination & achieving groundbreaking results.

**Dr Ruttachuk Rungsiwiwut (Aon)**

Assistant Professor  
Faculty of Medicine  
Srinakharinwirot University

**19 September**

12:00pm – 12:50 (ICT)

1:00pm – 1:50 (SGT)

Online, Zoom

You should attend if you're:

- Transitioning to stem cell research
- Facing culture optimization challenges
- Aiming to improve cell viability & differentiation
